Fly in, and see the best of Baltistan in five days

Skip the long road journey. You fly straight to Skardu, and your own Prado with a native driver and guide is waiting at the airport. From one base in Skardu city, the days open out to Shangrila and Upper Kachura Lake, the cold desert and fort at Shigar, a full day on the high plains of Deosai or in Basho Valley, and the old fort and mosque at Khaplu.

Route: Your city - fly to Skardu - Shangrila and Upper Kachura - Shigar - Deosai or Basho - Khaplu - fly home
